

ACCREDITATION OVERVIEW

SCARD 2026 Fall Meeting

October 8-9, 2026

San Antonio, TX

Target Audience

This meeting is designed for radiology department chairs and administrators across the full lifecycle of these positions.

Learning Objectives

At the conclusion of this series the learner will be able to:

- Establish solutions that prioritize investment of financial, time, and personnel resources to advance departmental growth and sustainability.
- Apply AI-driven and enterprise-level solutions to modernize radiology workflows and scale services across a health system.
- Compare collaborative and competitive strategies for navigating challenging professional relationships in academic centers.
- Apply innovative strategies and solutions to strengthen departmental research and clinical missions
- Design new and creative methods to develop leadership skills that support the growth of emerging department leaders and drive organizational purpose.

Activity Goal

This activity is designed to address the following core and team competencies:

Practice-based Learning, Professionalism, System-based Practice, Roles and Responsibilities, Interprofessional Communication, Teams and Teamwork.

Non-Endorsement Statement

The accredited provider verifies that sound education principles have been demonstrated in the development of this educational offering as evidenced by the review of its objectives, teaching plan, faculty, and activity evaluation process. The accredited provider does not endorse or support the actual opinions or material content as presented by the speaker(s) and/or sponsoring organization.

Disclosures

The accredited provider adheres to accreditation requirements regarding industry support of continuing medical education. Disclosure of the planning committee and faculty's commercial relationships will be made known at the activity. Speakers are required to openly disclose any limitations of data and/or any discussion of any off-label, experimental, or investigational uses of drugs or devices in their presentations. - *All employees in control of content have no relevant financial relationships to disclose.*
